

Intimate Battles

Author/Director: Lucía Gajá

Producer: Caguama Producciones

Country: Mexico

Length: 87' and 52'

Love shouldn't hurt. Too many marriages around the world turn from a promise of love to hidden violence, where the home is a prison.
How do you escape from this situation, from mistreatment or even death? To a similar situation, same answers around the world, may it be in Finland, Mexico, India, Spain or the USA.
A moving documentary that gives voice to women who were able to rebuild themselves and here, valiantly, give their testimony.
