The democratic revolutionary handbook

Author/Director: Vincent Jauvert & Tania Rakhmanova

Producer: Quark productions

Country: France

Length: 52'

The revolutions in Georgia, Ukraine and Serbia were remarkably similar. How were these "coloured revolutions" made, that caused dictators from the ex-soviet block to tumble one after the other? With the "makers" of these revolutions, along with their advisors and sponsors the film explains in detail the way in which democracy came to Eastern Europe.
