Adulthood

Author/Director: Eve Duchemin

Producer: Les Films grain de sable

Country: France

Length: 56'

During the day, Sabrina does housework to renovate the house from which she might be expelled. At night, she works as a stripper in a city night club to pay for her nursing studies. Greater than all past pains and shames is the bright dream of one's own of a better profession and a job.
A minutely observed film, intimate and unsparing.
