

The Coach Machine

Author/Director: François-Xavier Drouet

Producer: Les bons clients

Country: France

Length: 52'

As a defeated candidate in the musical reality TV show « The Voice », Luc is certain of one thing: within three years, he'll be a millionaire. To achieve his objective, he participates in personal development seminars where the success coaches teach him the secrets of success. At the same time, he becomes involved in a mysterious Internet business that promises him a fortune without leaving his home. Will he be able to make it reality?
