

Kigali Shaolin Temple

Author/Director: Claire Mollard & Magali

Chirouze

Producer: Adalios

Country: France

Length: 52'

The Kigali Shaolin Temple is a kung-fu club in Rwanda started by a group of young orphans from the genocide. Today, they find fulfillment in passing on their skills and teaching young Rwandans the values of sharing, tolerance and mutual respect. The visual beauty of kung fu highlights the resilience of a generation in a new born country: Rwanda, 20 years after.
