

Stendhal's Vertigo

Author/Director: Alexis Taillant

Producer: Wendigo Films

Country: France, Belgium, Italy

Length: 52'

Franco, Joanna, Audrey, Lia and Philippe were all stricken by brutal and unexplained uneasiness in front of some artworks during a trip to Florence, Paris or Barcelona. They tell their story: What happened? Sunstroke? Drop in blood pressure? Loss of bearings?

An investigation begins... Graziella Magherini, a psychiatrist in Florence, comes back to questions that obsessed her while she was trying to solve this modern day suffering with her patients: Travel sickness? Disorder linked with places haunted by History, FEAR OF BEAUTY, ART PAIN?

A mysterious and breathtaking investigation revealing the STENDHAL SYNDROME!
