Dreams

Author/Director: Pascal Catheland, Arthur Perole

Producer: muj?

Country: France

Length: 4 x 25' series

How do you imagine the future? What do you want to dream about? During a rough school year, 14-year-old students talk about their teenage life, limited by an unprecedented health crisis. They try to think about their future in spite of a worrying world's state and tell the story of their coming of age. As they show who they are, the need to party, to dance and escape together becomes apparent !
