

## Who Cares

**Author/Director: Alexe Poukine**

Producer: Wrong Men

Country: Belgium, France, Switzerland

Length: 98'

In the CHUV training center in Lausanne, «fake» patients and «real» carers simulate medical consultations, to learn how to perform kindness. But in an increasingly liberal hospital system, which itself exerts violence on medical staff, is this relational ideal really possible?

Awards: Ciné+ Young Jury Award and Special mention Library Award @ Cinéma du Réel, France / Special Mention National Competition @ Visions du Réel, Switzerland / Grand Prix and Audience Award - National Competition @ BRIFF - Belgium / Prix Restitution du Travail Contemporain + Special Mention - Jury Organisation Internationale du Travail @ Filmer le Travail - France
