

Where the Devil Wishes You Good Night

Author/Director: Edyta Sorrel & Vincent Sorrel

Producer: Cinex (Atelier du cinéma excentrique)

Country: France

Length: 26' & 34'

A documentary through a simple story about human and economical events that are taking place nowadays in Poland. Another image of the traditional life in the country that is rapidly vanishing, shaken by a sudden change in society. Grandmother is dying and so is her farm. Her son will not stay alone in the middle of this forest.

In Warsaw, the economic upsettings are what they are. We feel an unbearable emptiness, such a powerfull death; you remain helpless in front of it.
