Grandma-Grandpa

Author/Director: Michael Lheureux

Producer: Quark productions

Country: France

Length: 52' & 78'

Le Havre, a small three-storey house. The director's grandparents have lived here for the past 50 years.

Today, Grandpa is losing his mind a little. Their six children want to take things in hand and arrange for the old couple to go into a retirement home. Unexpectedly, Grandfather puts up a show of resistance.
A tragicomic look at family life facing Alzheimer's disease.
